# Dedication

---

---

We, the Senior Class of 1952, proudly dedicate our "Kaleidoscope" to one who has been a true example of friendship, leadership, and scholarship.

Because of his gracious understanding and devoted service to the youth of Hopewell, we so honor him. As a means of expressing our deep appreciation, we give deserved credit to this fine man, Mr. Forrest Allen Glass.

IN MEMORY OF OUR TEACHER

Miss Milla Julia Trosvig

who joined the Hopewell High School Faculty in September, 1925, as teacher of Mathematics and served faithfully and efficiently until the spring of 1951. The hundreds of pupils who were fortunate to come under her skillful and patient instruction attest to the high standards of achievement to which she inspired them and to her outstanding personality and sterling character. Her death on December 14, 1951 brought a feeling of personal loss and deep sorrow to the faculty and students of Hopewell High School and to all connected with the Hopewell School System.

IN MEMORY OF OUR CLASSMATE

Helen Earlene Branch

who died on the first day of August in the year of our Lord, nineteen hundred and fifty-one. It is with a deep sense of loss and sincere affection that we honor here one who endeared herself to us--the Class of '52--forever.

# Football Scoreboard

The entire community joins in paying tribute to the 1951 Blue Devil football team of Hopewell High School and its excellent coaching staff.

Not only because they went through another season undefeated--

Not only because they won the State Championship for the third consecutive year--

But also because they set a good example of sportsmanship and good conduct, on and off the field, that brought credit to the members of the team, to the coaches, to the high school, and to Hopewell!

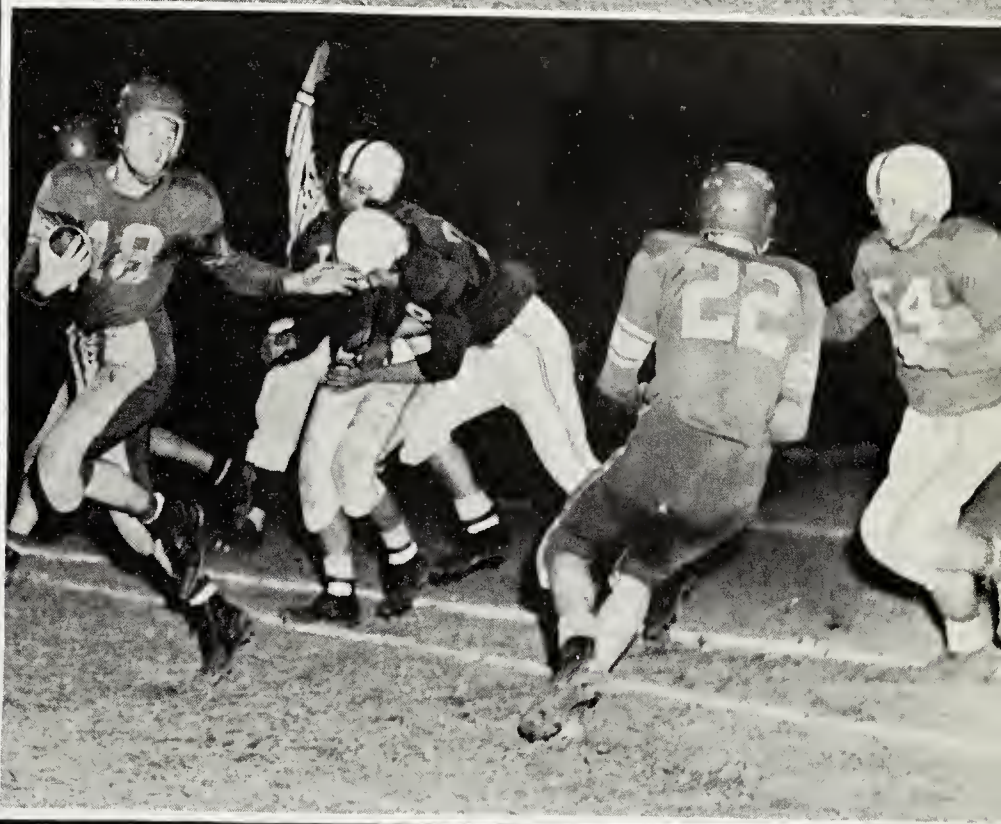

Naturally we are proud of them for their fine record. We are proud they have gone through three undefeated seasons, won three championships. And we are proud they have displayed such high qualities of citizenship. May their justly deserved laurels rest upon them with becoming dignity.

To each member of the coaching staff and to each member of the team, the people of Hopewell extend congratulations and best wishes. You can rest assured that we are rooting for you all the time.

Coach Flannagan

The Junior Varsity does not always get the big headlines, but the members of the team and the coaches can rest assured that the people of this community appreciate their fine work they are doing and the fine record they have made.

Without the Junior Varsity as a training and proving ground the Blue Devils would never have reached the pinnacle of success. On the shoulders of the boys on the Junior Varsity rest the future of football at Hopewell High School.

So we are deeply pleased that the members of the Junior Varsity are showing the same qualities of sportsmanship, good conduct and citizenship which have brought such high tribute to the Varsity.

We congratulate you. We are proud of you.

Specialists in "Story Book" weddings. A complete coverage of your most cherished occasion mounted in Luxurious Leather Albums. In color of your own choice. Our oil tinted wedding photos are the finest.

It has been a wonderful experience working with the faculty and student body of H. H. S. for the past two seasons. And I hope I may be as fortunate to work with them in the future.

Congratulations To The "Blue Devils" for their "Successful Defense Of Their State Championship Crown."

are  
these  
"the best  
years of  
your  
life"?

Parents often say they are, but there can be plenty of good times ahead.

Especially if you get a good job, doing interesting, important work with the kind of people you love to work with. Many high school girls find exactly that at the telephone company, after graduation.

So when you finish school, stop in and see us. You'll probably find a job you'll really enjoy at good pay with regular raises.
